

One-Day Paediatric Course

COURSE TITLE **One-Day Paediatric Course**

DESCRIPTION

This one-day Paediatric Emergency First Aid course has been designed for those who have an interest in child and infant basic life support. If you have a professional interest i.e. you are a child-minder or school teacher etc, then this course fulfils partly the requirements of OFSTED and the Early Years Foundation Stage (EYFS).

You may wish to consider the full 2-day course if you are responsible for infants and children professionally.

DURATION

A 6-hour course consisting of theory and practical work.

SYLLABUS

A range of subjects is covered including:-

- **Responsibilities and reporting**
- **Assessment of the situation**
- **Dealing with an unresponsive casualty**
- **Wounds and bleeding**
- **Shock**
- **Resuscitation**
- **Minor injuries**
- **Epilepsy**
- **Anaphylaxia**
- **Choking**

CERTIFICATION

Although there is no formal assessment, the trainer will assess each individual, ongoing throughout the course. This qualification is valid for 3 years.

NUMBERS

A maximum of 12 students can be accommodated on this course and must be aged a minimum of 16 years or above.

LOCATION

We are able to deliver this course on your site, subject to a pre-course assessment of your premises, reducing your costs in respect of additional time out and travelling.
